BHOOMIKA H R

Contact: 8310634215 | bhoomikahr025@gmail.com | LinkedIn: Bhoomika H R | GitHub: bhoomikahr297

PROFESSIONAL SUMMARY

Aspiring Data Analyst with a Computer Science background and hands-on experience in data analysis and visualization. Skilled in Excel, SQL, Python, and data preprocessing, with experience building predictive models and analytical dashboards.

EDUCATION

Bachelor of Engineering – Computer Science - CGPA: 8.72 2022 – 2026
Navkis College of Engineering Hassan,Karnataka
PCMB – Science Stream 2020-2022
Times PU College Hassan,Karnataka

TECHNICAL SKILLS

Programming: Python
Data Analysis: Excel, SQL, Data Cleaning, Data Visualization, Dashboard Development
Libraries: Pandas, NumPy, Matplotlib
Visualization: Power BI (Basics), Excel Charts
Database: PostgreSQL
Tools: Git, GitHub, VS Code,Jupyter Notebook

EXPERIENCE

Data Science Intern | **Glowlogics Solutions** 4 Months

- Performed data cleaning, exploratory data analysis, and machine learning model development using Python and data science tools. Generated insights from datasets and presented findings to team members.
- Collaborated on real-world data science tasks and cross-functional projects

PROJECTS

Financial Performance & Profitability Analysis | Excel, PivotTables, Dynamic Dashboarding

- Analyzed 10,000+ retail records in Excel, engineering custom COGS and Profit Margin % metrics to isolate shipping cost leaks and build an interactive executive dashboard.

Automated Customer Feedback Pipeline | Python, Pandas, Gemini API, Power BI

- Built a Python ETL pipeline integrating the Gemini API to automatically classify sentiment and topic categories across unstructured customer reviews.

AI-Powered Text-to-SQL Assistant | Python, Streamlit, PostgreSQL, LLMs

- Developed a Streamlit and PostgreSQL web app that converts natural language queries into validated SQL code for non-technical stakeholders.

CERTIFICATIONS

- TATA – Gen AI Powered Data Analytics
- Deloitte – Technical Job Simulation
- GUVI (HCL Group) – Fundamentals of Generative AI
- Infosys Springboard – Data Structures & Algorithms

ACHIEVEMENTS

• Maintained a strong academic record with a CGPA of 8.72 in Computer Science Engineering.

• Completed multiple industry-recognized certifications in Data Analytics, AI, and Machine Learning.

• Completed a 4-month Data Science internship involving data analysis, machine learning, and visualization.
